Mr. Moonan,
you will find enclosed the letterhead I have found among my late father's effects which I thought might be of some interest to visitors out there at the museum.

My father was Bennett R. Willeford, a young merchant in Kings Mountain at
time of Centennial Celebration.

Some one in your office told me you would be glad to have it.

Inez W. Thomson
October 7th, 1880.

KING'S MOUNTAIN CENTENNIAL.
